Product Owner: Kaleb Richardson

Scrum Master: Erick Hernandez

📋 Product Backlog – *Pithub*

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-022	As a developer, I want to verify the security of logins and video files.	6	3	Y	--	--
RC-025	As a developer, I want to create a timeline of what it takes to create a command line to upload a file from the command line interface using GO.	1	2	Y	--	--
RC-029	As product owner, I want to schedule support for the Capstone team's Celebration of Scholarship Lite upcoming events.	3	1	Y	--	--
RC-032	As a user, I would like to commment on videos.	2	1	N	--	--
RC-046	As a user, I want to filter videos by date and class so that I can narrow down content efficiently.	4	2	N	--	--
RC-052	As a user, I want to upload a custom thumbnail for my videos so that they are visually identifiable.	3	1	N	--	--
RC-053	As a user, I want to edit video metadata (title, description, visibility) so that my content remains accurate.	4	2	N	--	--
RC-058	As a developer, I want to implement role-based permissions (future) so that professors and students may have different capabilities.	8	5	Y	--	--
RC-063	As a user, I want to upload large video files with progress feedback so that I can track upload completion.	8	5	N	--	--
RC-066	As a user, I want to sort videos by upload date or title so that I can organize content based on preference.	5	2	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-068	As a user, I want to download videos when permitted so that I can access them offline.	6	3	N	--	--
RC-070	As a user, I want to rename uploaded documents so that file names remain meaningful.	4	1	N	--	--
RC-071	As a user, I want to see file sizes before downloading so that I can manage bandwidth usage.	4	1	N	--	--
RC-073	As a developer, I want to implement rate limiting on API endpoints so that the system is protected from abuse.	7	3	Y	--	--
RC-075	As a developer, I want to implement centralized error handling so that all errors are managed consistently.	8	3	Y	--	--
RC-076	As a developer, I want to implement input sanitization so that the system is protected from injection attacks.	8	3	Y	--	--
RC-077	As a developer, I want to enforce file type validation on uploads so that only supported formats are accepted.	8	2	Y	--	--
RC-078	As a developer, I want to enforce file size limits so that storage and bandwidth are controlled.	7	2	Y	--	--
RC-079	As a developer, I want to improve Firebase security rules for Firestore and Storage so that data access is properly restricted.	9	5	Y	--	--
RC-080	As a developer, I want to index frequently queried fields in Firestore so that search and retrieval performance is optimized.	7	3	Y	--	--
RC-089	As a user, I want to access the platform on different screen sizes so that I can use it on mobile and desktop devices.	7	4	N	--	--
RC-090	As a user, I want to see a message when no search results are found so that I understand the outcome of my query.	5	1	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-094	As a user, I want to create notes within a class so that I can keep written study material alongside videos and documents.	7	4	N	--	--
RC-095	As a user, I want to edit and delete my notes so that I can keep my study materials accurate and updated.	6	2	N	--	--
RC-096	As a user, I want notes to support basic formatting (bold, lists, headings) so that my notes are easier to read and organize.	5	3	N	--	--
RC-097	As a developer, I want to create an algorithm that prioritizes recently uploaded and frequently viewed content on the dashboard so that users can quickly access relevant materials.	7	5	Y	--	--
RC-098	As a developer, I want the dashboard recommendation algorithm to display a balanced mix of videos and documents so that users are exposed to multiple forms of course content.	6	4	Y	--	--
RC-099	As a user, I want to see recommended videos and documents on the homepage so that I can discover useful academic resources.	6	3	N	--	--
RC-101	As an administrator, I want to review reported videos and documents so that inappropriate or illegal content can be moderated.	9	4	N	--	--
RC-102	As an administrator, I want to remove content that violates platform policies so that the platform remains safe and academically appropriate.	9	3	N	--	--
RC-103	As an administrator, I want to suspend or restrict user accounts that repeatedly violate policies so that abuse of the platform is minimized.	8	4	N	--	--
RC-106	As a user, I want to receive notifications when I am invited to a class so that I can	5	3	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
	quickly respond to invitations.					
RC-107	As a first-time user, I want to see an onboarding tutorial so that I can understand how to navigate and use PitHub effectively.	7	3	N	--	--
RC-108	As a first-time user, I want tooltips and walkthrough prompts during onboarding so that I can learn platform features interactively.	6	3	N	--	--
RC-109	As a user, I want to skip or revisit the onboarding tutorial so that I can review platform guidance when needed.	5	2	N	--	--
RC-110	As a developer, I want to track onboarding completion metrics so that we can evaluate how effectively new users learn the platform.	4	3	Y	--	--
RC-111	As a user, I want to pin important videos, notes, or documents within a class so that critical resources remain easy to access.	6	2	N	--	--
RC-112	As a user, I want to organize notes and documents into folders within classes so that large amounts of content remain manageable.	6	4	N	--	--
RC-113	As a developer, I want to implement moderation logging so that all admin moderation actions are recorded for auditing purposes.	8	4	Y	--	--
RC-114	As a user, I want to receive notifications when my uploaded content is reported or removed so that I understand moderation actions affecting my account.	6	2	N	--	--
RC-115	As a developer, I want to create analytics for uploads, downloads, and views so that platform engagement can be measured.	5	5	Y	--	--
RC-116	As a user, I want to see view counts on videos and documents so that I can	4	2	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
	identify popular or useful academic resources.					
RC-117	As a user, I want to bookmark notes and documents so that I can quickly revisit important study materials.	5	2	N	--	--
RC-118	As a developer, I want to separate moderation tools from regular user interfaces so that administrative functions remain secure and isolated.	8	3	Y	--	--
RC-128	As an Administrator, I want to be able to view user's profile and class pages directly from the admin account without having to relogin	8	5	Y	--	--
RC-129	As an Administrator, I want thhe suspension feature to block suspended users from reating classes or posting documents effective immediately	8	5	Y	--	--
RC-130	As a user, I want to filter search results by content type (video, document, notes, and classes) so that I can locate specific resources more efficiently.	8	3	N	--	--
RC-131	As a user, I want to upload multiple files at once so that I can add course materials faster and reduce repetitive uploads.	8	4	N	--	--
RC-132	As a user, I want to continue watching videos from where I previously stopped so that I can resume learning without manually searching for my place.	7	4	N	--	--
RC-133	As a user, I want to receive notifications when classes I follow receive new content so that I can stay updated with important academic resources.	7	5	N	--	--
RC-134	As a developer, I want to implement automated testing for authentication and file upload workflows so that critical features remain reliable after updates.	9	5	Y	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-135	As a developer, I want to create automated backups for user-uploaded content so that important academic resources can be recovered after unexpected failures.	9	6	Y	--	--
RC-136	As an administrator, I want to view user activity analytics (uploads, views, downloads, and reports) so that I can make informed decisions about platform improvements.	8	5	Y	--	--
RC-137	As a user, I want to control sharing permissions for my videos and documents so that I can decide who has access to my academic content.	9	5	N	--	--
RC-138	As a developer, I want to implement accessibility improvements (keyboard navigation, contrast, and screen reader support) so that PitHub is usable byadmin a wider range of users.	8	5	Y	--	--
RC-145	As a developer, I want to be prepared for and fully participate in recruiting Software Engineering students on Tuesday, April 7 at 9:30 AM CT	10	5	Y	--	--
RC-146	As a developer, I want to be prepared for and fully participate in our mid-term Product Review on Tuesday, April 21 at 2 pm CT	10	5	Y	--	--
RC-148	As a developer, I want to review and optimize Firebase Storage usage so that PitHub can reduce unnecessary storage and bandwidth costs.	10	5	Y	--	--
RC-149	As a developer, I want to identify and remove duplicate or unnecessary database queries so that existing pages load faster and use fewer resources.	8	4	Y	--	--
RC-150	As a user, I want the interface to use consistent buttons, spacing, colors, and typography so that the platform feels easier and more professional to use.	8	4	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-151	As a developer, I want to conduct a usability review of the current user interface so that confusing workflows and unnecessary steps can be identified and documented.	8	3	Y	--	--
RC-152	As a user, I want the class, profile, and resource pages to have consistent navigation so that I can move through the platform without getting lost.	8	3	N	--	--
RC-153	As a developer, I want to test PitHub on commonly used desktop, tablet, and mobile screen sizes so that existing layout issues can be identified and corrected.	8	4	Y	--	--
RC-154	As a developer, I want to conduct usability interviews with university faculty and staff so that the team can identify the most important improvements to the current product.	9	3	Y	--	--
RC-155	As a product owner, I want to create a product demonstration showing PitHub's existing upload, organization, and sharing workflows so that potential users can understand its value.	9	3	N	--	--
RC-156	As a developer, I want to identify university departments and faculty groups that may benefit from PitHub so that outreach efforts can target relevant audiences.	8	3	Y	--	--
RC-157	As a team member, I want to conduct product demonstrations for selected faculty and staff members so that the team can gather feedback from potential customers.	9	4	N	--	--
RC-158	As a product owner, I want to collect and document feedback from product demonstrations so that recurring usability concerns can be converted into actionable backlog items.	9	7	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-159	As a developer, I want to create a customer feedback survey for existing users so that satisfaction with PitHub's current functionality can be measured.	8	2	Y	--	--
RC-160	As a product owner, I want to identify the most common reasons users stop using PitHub so that the team can prioritize improvements that address user retention concerns.	8	3	Y	--	--
RC-161	As a developer, I want to improve the first-time user experience based on onboarding feedback so that new users can complete their first meaningful task with fewer difficulties.	9	5	N	--	--
RC-162	As a user, I want the existing help text and instructions to use clear, understandable language so that I can learn how to use PitHub without additional assistance.	8	5	N	--	--
RC-164	As a developer, I want to resolve high-priority bugs discovered thro ugh user testing so that the reliability of existing functionality improves before additional outreach.	10	5	N	--	--
RC-166	As a developer, I want to establish a process for responding to user feedback and support requests so that existing users receive timely and consistent assistance.	8	5	N	--	--
RC-167	As a product owner, I want to review the effectiveness of customer outreach activities so that future demonstrations and promotional efforts can focus on the most productive channels.	7	3	Y	--	--
RC-169	As a first time user, I want to be shown an interactive tutorial or walkthrough of how the app works within PitHub on my very first login so that I know how to utilize PitHub	7	6	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-172	As a developer, I want to ensure that each user, on their first login, agrees to the Terms and Conditions, to be shown in the first walkthrough/tutorial of the app	7	3	N	--	--
RC-178	As a user, I want to be able to mark uploaded documents or videos as watch later so that I can view them at a later date	5	6	N	--	--
RC-179	As a user, I want to be able to share a direct link to a video or document by clicking a share button so that I can easily send resources other people.	4	4	N	--	--
RC-180	As a user, I want to be able to set an expiration for uploaded documents so that they do not stay on the platform for longer than intended or needed.	5	7	N	--	--
RC-181	As a user, I want the search bar to not constantly show results for my searches without me having to delete my input	5	3	N	--	--
RC-182	As an incoming developer, I want to be able to watch onboarding videos explaining PitHub's code infrastructure and workflow	8	7	Y	--	--
RC-183	As a current developer, I want to be attend the oncoming Software Engineering Scrum Team's scrum planning for October 20th, 2026 at 9:30 AM to onboard them onto the project	8	3	Y	--	--
RC-184	As a current developer, I want to reach out in person or via email to Lewis University Computer Science professors that may be interested in using PitHub as an alternative to Panopto	8	4	Y	--	--
RC-185	As a developer, I want to create a game plan for the implementation of payment for storage use on PitHub to cover the cost of Firebase Storage and App Hosting	8	6	Y	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-186	As a developer, I want to research payment providers that can integrate with PitHub so that the team can determine an appropriate method for recovering Firebase storage and bandwidth costs.	4	6	Y	--	--
RC-187	As a product owner, I want to define potential price for PitHub so that storage, bandwidth, and operational costs can be covered.	4	7	Y	--	--
RC-188	As a developer, I want to establish safeguards around payment failures and expired subscriptions so that users do not unexpectedly lose access to their content.	4	6	Y	--	--
RC-189	As a product owner, I want to begin discussions and develop plans for transitioning PitHub toward a faculty-based target user model, while maintaining the flexibility to support student video uploads in the future.	8	7	Y	--	--
RC-190	As a devloper, I want to be able to present to the Software Engineering class on Tuesday, October 13 at 9:30 AM	9	4	Y	--	--
RC-191	As a devloper, I want to fully participate in our Fall 2026 mid-term Product Review on Tuesday, October 27 at 2 PM	9	4	Y	--	--
RC-192	As a devloper, I want to consolidate all individual MVP proposals into a single Minimum Viable Product, making sure that it is minimum andd deliverable by the end of Sprint 5	9	7	Y	--	--
