📋 Product Backlog – *Pithub*

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-025	As a developer, I want to create a timeline of what it takes to create a command line to upload a file from the command line interface using GO.	1	2	Y	--	--
RC-029	As product owner, I want to schedule support for the Capstone team's Celebration of Scholarship Lite upcoming events.	3	1	Y	--	--
RC-032	As a user, I would like to commment on videos.	2	1	N	--	--
RC-046	As a user, I want to filter videos by date and class so that I can narrow down content efficiently.	4	2	N	--	--
RC-052	As a user, I want to upload a custom thumbnail for my videos so that they are visually identifiable.	3	1	N	--	--
RC-053	As a user, I want to edit video metadata (title, description, visibility) so that my content remains accurate.	4	2	N	--	--
RC-058	As a developer, I want to implement role-based permissions (future) so that professors and students may have different capabilities.	8	5	Y	--	--
RC-066	As a user, I want to sort videos by upload date or title so that I can organize content based on preference.	5	2	N	--	--
RC-070	As a user, I want to rename uploaded documents so that file names remain meaningful.	4	1	N	--	--
RC-071	As a user, I want to see file sizes before downloading so that I can manage bandwidth usage.	4	1	N	--	--
RC-078	As a developer, I want to enforce file size limits so that storage and bandwidth are controlled.	7	2	Y	--	--
RC-083	As a user, I want to see recently viewed classes so that I can quickly return to them.	5	2	N	--	--
RC-089	As a user, I want to access the platform on different screen sizes so that I can use it on mobile and desktop devices.	7	4	N	--	--
RC-094	As a user, I want to create notes within a class so that I can keep written study material alongside videos and documents.	7	4	N	--	--
RC-095	As a user, I want to edit and delete my notes so that I can keep my study materials accurate and updated.	6	2	N	--	--
RC-096	As a user, I want notes to support basic formatting (bold, lists, headings) so that my notes are easier to read and organize.	5	3	N	--	--
RC-097	As a developer, I want to create an algorithm that prioritizes recently uploaded and frequently viewed content on the dashboard so that users can quickly access relevant materials.	7	5	Y	--	--
RC-098	As a developer, I want the dashboard recommendation algorithm to display a balanced mix of videos and documents so that users are exposed to multiple forms of course content.	6	4	Y	--	--
RC-099	As a user, I want to see recommended videos and documents on the homepage so that I can discover useful academic resources.	6	3	N	--	--
RC-103	As an administrator, I want to suspend or restrict user accounts that repeatedly violate policies so that abuse of the platform is minimized.	8	4	N	--	--
RC-106	As a user, I want to receive notifications when I am invited to a class so that I can quickly respond to invitations.	5	3	N	--	--
RC-107	As a first-time user, I want to see an onboarding tutorial so that I can understand how to navigate and use PitHub effectively.	7	4	N	--	--
RC-108	As a first-time user, I want tooltips and walkthrough prompts during onboarding so that I can learn platform features interactively.	6	3	N	--	--
RC-109	As a user, I want to skip or revisit the onboarding tutorial so that I can review platform guidance when needed.	5	2	N	--	--
RC-111	As a user, I want to pin important videos, notes, or documents within a class so that critical resources remain easy to access.	6	2	N	--	--
RC-112	As a user, I want to organize notes and documents into folders within classes so that large amounts of content remain manageable.	6	4	N	--	--
RC-114	As a user, I want to receive notifications when my uploaded content is reported or removed so that I understand moderation actions affecting my account.	6	2	N	--	--
RC-115	As a developer, I want to create analytics for uploads, downloads, and views so that platform engagement can be measured.	5	5	Y	--	--
RC-118	As a developer, I want to separate moderation tools from regular user interfaces so that administrative functions remain secure and isolated.	8	3	Y	--	--
RC-128	As an Administrator, I want to be able to view user's profile and class pages directly from the admin account without having to relogin	8	5	Y	--	--
RC-129	As an Administrator, I want the suspension feature to block suspended users from reating classes or posting documents effective immediately	8	5	Y	--	--
RC-131	As a user, I want to upload multiple files at once so that I can add course materials faster and reduce repetitive uploads.	8	4	N	--	--
RC-132	As a user, I want to continue watching videos from where I previously stopped so that I can resume learning without manually searching for my place.	7	4	N	--	--
RC-133	As a user, I want to receive notifications when classes I follow receive new content so that I can stay updated with important academic resources.	7	5	N	--	--
RC-135	As a developer, I want to create automated backups for user-uploaded content so that important academic resources can be recovered after unexpected failures.	9	6	Y	--	--
RC-137	As a user, I want to control sharing permissions for my videos and documents so that I can decide who has access to my academic content.	9	5	N	--	--
RC-138	As a developer, I want to implement accessibility improvements (keyboard navigation, contrast, and screen reader support) so that PitHub is usable byadmin a wider range of users.	8	5	Y	--	--
RC-148	As a developer, I want to review and optimize Firebase Storage usage so that PitHub can reduce unnecessary storage and bandwidth costs.	10	5	Y	--	--
RC-149	As a developer, I want to identify and remove duplicate or unnecessary database queries so that existing pages load faster and use fewer resources.	8	4	Y	--	--
RC-150	As a user, I want the interface to use consistent buttons, spacing, colors, and typography so that the platform feels easier and more professional to use.	8	4	N	--	--
RC-151	As a developer, I want to conduct a usability review of the current user interface so that confusing workflows and unnecessary steps can be identified and documented.	8	3	Y	--	--
RC-153	As a developer, I want to test PitHub on commonly used desktop, tablet, and mobile screen sizes so that existing layout issues can be identified and corrected.	8	4	Y	--	--
RC-156	As a developer, I want to identify university departments and faculty groups that may benefit from PitHub so that outreach efforts can target relevant audiences.	8	3	Y	--	--
RC-157	As a team member, I want to conduct product demonstrations for selected faculty and staff members so that the team can gather feedback from potential customers.	9	4	N	--	--
RC-159	As a developer, I want to create a customer feedback survey for existing users so that satisfaction with PitHub's current functionality can be measured.	8	2	Y	--	--
RC-160	As a product owner, I want to identify the most common reasons users stop using PitHub so that the team can prioritize improvements that address user retention concerns.	8	3	Y	--	--
RC-161	As a developer, I want to improve the first-time user experience based on onboarding feedback so that new users can complete their first meaningful task with fewer difficulties.	9	5	N	--	--
RC-162	As a user, I want the existing help text and instructions to use clear, understandable language so that I can learn how to use PitHub without additional assistance.	8	5	N	--	--
RC-164	As a developer, I want to resolve high-priority bugs discovered thro ugh user testing so that the reliability of existing functionality improves before additional outreach.	10	5	N	--	--
RC-166	As a developer, I want to establish a process for responding to user feedback and support requests so that existing users receive timely and consistent assistance.	8	5	N	--	--
RC-167	As a product owner, I want to review the effectiveness of customer outreach activities so that future demonstrations and promotional efforts can focus on the most productive channels.	7	3	Y	--	--
RC-169	As a first time user, I want to be shown a tutorial or walkthrough of how the app works on my very first login so that I know how to utilize PitHub	7	6	N	--	--
RC-178	As a user, I want to be able to mark uploaded documents or videos as watch later so that I can view them at a later date	5	6	N	--	--
RC-180	As a user, I want to be able to set an expiration for uploaded documents so that they do not stay on the platform for longer than intended or needed.	5	7	N	--	--
RC-209	As the product owner, I want to have discussions about shifting the user base from Lewis University students and faculty to just faculty to manage storage cost and minimize the possibility of the abuse of our services	5	6	Y	--	--
RC-214	As a user, I want to see a clear progress indicator pop up telling me not to leave the page while uploading a file so that my uploads are successful.	5	3	N	--	--
RC-215	As a developer, I want to fully participate in our Fall 2026 mid-term Product Review on Tuesday, October 28 at 2 PM.	9	4	Y	--	--
RC-216	As a user, I want to be able to share a direct link to a video or document by clicking a share button so that I can easily send resources to other people.	4	4	N	--	--
RC-217	As a user, I want to open a video preview when I click on a video title so that I can watch the video without navigating through unnecessary pages.	7	2	N	--	--
RC-218	As a product owner, I want to meet with Dr. Klump to discuss Lewis University's potential takeover of Firebase payment responsibilities so that the team can determine a sustainable plan for PitHub's hosting and operating costs.	9	3	Y	--	--
RC-219	As a user, I want to upload a custom thumbnail for my classes so that I can visually distinguish them from other classes.	6	2	N	--	--
RC-220	As a user, I want to upload custom thumbnails for documents and edit document details after uploading so that I can make my shared resources easier to identify and keep their information accurate.	7	3	N	--	--
RC-221	As a user, I want to add and edit descriptions for uploaded files so that other users can understand the contents and purpose of a document before opening or downloading it.	7	2	N	--	--
RC-222	As the original development team, I want to evaluate options for PitHub after the current semester, including open-sourcing the project, so that we can establish a sustainable future for the platform.	9	5	Y	--	--
RC-223	As a system administrator, I want to create separate administrator accounts for developers so that administrative responsibilities can be managed independently.	9	4	N	--	--
RC-228	As a product team member, I want to develop a plan for all product teams to fully participate in ECaMS Connect, as outlined in Discussion 5, so that teams can coordinate their involvement and meet participation expectations.	8	3	Y	--	--
RC-229	As a Scrum Master, I want to coordinate Sprint 5 backlog grooming and sprint planning across the Software Engineering and Capstone teams so that both teams have prioritized, refined, and actionable sprint backlogs.	9	4	N	--	--
RC-230	As a Product Owner, I want to receive coaching on Tuesday, October 20, 2026, at 9:30 AM CT so that I can improve my backlog management, prioritization, and communication with the Software Engineering team.	8	2	N	--	--
RC-231	As a Scrum Master, I want to track each member of the aligned Software Engineering team by name and verify that each member completes at least two user stories to the Definition of Done so that individual contributions and team progress can be evaluated.	9	5	N	--	--
RC-232	As a Scrum Master, I want to coordinate with the Software Engineering team to ensure that all team members participate in the Fall 2026 midterm Product Review so that the team can present its progress, demonstrate completed work, and gather feedback.	9	3	N	--	--
RC-237	As a developer, I want any files, file names, or code which mention team members to include that member's team name so that future development teams can add new files without the possibility for same name conflicts.	5	2	Y	--	--
RC-238	As a user, I want to only see the current developers of PitHub on the contacts page rather than legacy developers who are listed on another page so that I do not contact a legacy developer by accident.	5	3	N	--	--
