Sprint 6 Product Owner: Jacob Sprint 6 Scrum Master: Chloe

Sprint 7 Product Owner: Chloe Sprint 7 Scrum Master: Java

Sprint Planning completed 11/5 Attended by Jacob, Java, Josh, Chloe

📋 Sprint Backlog – *Pithub*

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-240	As a new developer, I want to create a list of assets that needs to be transfered to the new team so that we can begin the offboarding process for the old team.	8	1	Y	In-Progress	Jacob
RC-241	As a new developer, I want to coordinate the transfer of assets from the old team to the new team so that we can continue support for the product into the future.	8	3	Y	In-Progress	Jacob
RC-111	As a user, I want to pin important videos, notes, or documents within a class so that critical resources remain easy to access.	6	2	N	In-Progress	Jacob
RC-221	As a user, I want to add and edit descriptions for uploaded files so that other users can understand the contents and purpose of a document before opening or downloading it.	7	2	N	In-Progress	Jacob
RC-264	As a product owner, I want to coordinate the Product Backlog across teams so that there is no conflict with development and the user experience stays consistent.	8	1	N	In-Progress	Jacob
RC-265	As a product owner I want to include Percent Spikes in our metrics for individual team members and the overall team so that we can monitor spike usage and encourage delivering more direct value to users.	8	1	N	In-Progress	Jacob
RC-151	As a user, I want to do a usability review of the interface so that	8	6	N	In-Progress	Java

	confusing workflows and unnecessary steps can be identified and possible added as a story for future development.					
RC-263	As a user, I want to watch video on the same page so that I don't get redirected to a new page.	8	3	N	In-Progress	Java
RC-229	As a Scrum Master, I want to coordinate Sprint 5 backlog grooming and sprint planning across the Software Engineering and Capstone teams so that both teams have prioritized, refined, and actionable sprint backlogs.	9	2	N	In-Progress	Chloe
RC-097	As a developer, I want to create an algorithm that prioritizes recently uploaded and frequently viewed content on the dashboard so that users can quickly access relevant materials.	7	3	Y	In-Progress	Chloe
RC-107	As a first-time user, I want to see an onboarding tutorial so that I can understand how to navigate and use PitHub effectively.	7	4	N	In-Progress	Chloe
RC-196	As a new developer (Chloe), I want to add my information to the Contact Page so that users are able to see PitHub's current developers	5	1	Y	In-Progress	Chloe
RC-200	As a new developer (Chloe), I want to add my information to the TEAM.md file so that PitHub documentation is up to date with regards to its development team	5	1	Y	In-Progress	Chloe
RC-266	As a developer, I want to move the consolidated Product Backlog to the "Stories" product by the end of the Sprint 7 so that backlog management is more convenient and more time and effort can go towards developing direct value for users	8	1	N	In-Progress	Chloe

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-216	As a user, I want to be able to share a direct link to a video or document by clicking a share button so that I can easily send resources to other people.	4	4	N	In-Progress	Josh
RC-159	As a developer, I want to create a customer feedback survey for existing users so that satisfaction with PitHub's current functionality can be measured.	8	2	Y	In-Progress	Josh
RC-160	As a product owner, I want to identify the most common reasons users stop using PitHub so that the team can prioritize improvements that address user retention concerns.	8	3	Y	In-Progress	Josh
RC-198	As a new developer (Josh), I want to add my information to the TEAM.md file so that PitHub documentation is up to date with regards to its development team	5	1	Y	In-Progress	Josh
