Current Largest ID: RC-246

Bear Down Product Owner: Edward Rodriguez Bear Down Scrum Master: Sebastian Jaculbe

Red Dragon Product Owner: Jacob Red Dragon Scrum Master: Chloe

📋 Product Backlog – *Pithub*

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-148	As a developer, I want to review and optimize Firebase Storage usage so that PitHub can reduce unnecessary storage and bandwidth costs.	10	5	Y	--	--
RC-164	As a developer, I want to resolve high-priority bugs discovered thro ugh user testing so that the reliability of existing functionality improves before additional outreach.	10	5	N	--	--
RC-135	As a developer, I want to create automated backups for user-uploaded content so that important academic resources can be recovered after unexpected failures.	9	6	Y	--	--
RC-137	As a user, I want to control sharing permissions for my videos and documents so that I can decide who has access to my academic content.	9	5	N	--	--
RC-157	As a team member, I want to conduct product demonstrations for selected faculty and staff members so that the team can gather feedback from potential customers.	9	4	N	--	--
RC-161	As a developer, I want to improve the first-time user experience based on onboarding feedback so that new users can complete their first meaningful task with fewer difficulties.	9	5	N	--	--
RC-218	As a product owner, I want to meet with Dr. Klump to discuss Lewis University's potential takeover of Firebase payment responsibilities so that the team can	9	3	Y	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
	determine a sustainable plan for PitHub's hosting and operating costs.					
RC-222	As the original development team, I want to evaluate options for PitHub after the current semester, including open-sourcing the project, so that we can establish a sustainable future for the platform.	9	5	Y	--	--
RC-223	As a system administrator, I want to create separate administrator accounts for developers so that administrative responsibilities can be managed independently.	9	4	N	--	--
RC-231	As a Scrum Master, I want to track each member of the aligned Software Engineering team by name and verify that each member completes at least two user stories to the Definition of Done so that individual contributions and team progress can be evaluated.	9	5	N	--	--
RC-232	As a Scrum Master, I want to coordinate with the Software Engineering team to ensure that all team members participate in the Fall 2026 midterm Product Review so that the team can present its progress, demonstrate completed work, and gather feedback.	9	3	N	--	--
RC-058	As a developer, I want to implement role-based permissions (future) so that professors and students may have different capabilities.	8	5	Y	--	--
RC-103	As an administrator, I want to suspend or restrict user accounts that repeatedly violate policies so that abuse of the platform is minimized.	8	4	N	--	--
RC-106	As a user, I want to receive notifications when I am invited to a class so that I can quickly respond to invitations.	5	3	N	--	--
RC-108	As a first-time user, I want tooltips and walkthrough prompts during	6	3	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
	onboarding so that I can learn platform features interactively.					
RC-109	As a user, I want to skip or revisit the onboarding tutorial so that I can review platform guidance when needed.	5	2	N	--	--
RC-112	As a user, I want to organize notes and documents into folders within classes so that large amounts of content remain manageable.	6	4	N	--	--
RC-114	As a user, I want to receive notifications when my uploaded content is reported or removed so that I understand moderation actions affecting my account.	6	2	N	--	--
RC-118	As a developer, I want to separate moderation tools from regular user interfaces so that administrative functions remain secure and isolated.	8	3	Y	--	--
RC-129	As an Administrator, I want the suspension feature to block suspended users from reating classes or posting documents effective immediately	8	5	Y	--	--
RC-131	As a user, I want to upload multiple files at once so that I can add course materials faster and reduce repetitive uploads.	8	4	N	--	--
RC-138	As a developer, I want to implement accessibility improvements (keyboard navigation, contrast, and screen reader support) so that PitHub is usable byadmin a wider range of users.	8	5	Y	--	--
RC-149	As a developer, I want to identify and remove duplicate or unnecessary database queries so that existing pages load faster and use fewer resources.	8	4	Y	--	--
RC-150	As a user, I want the interface to use consistent buttons, spacing, colors, and typography so that the platform feels easier and more professional to use.	8	4	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-153	As a developer, I want to test PitHub on commonly used desktop, tablet, and mobile screen sizes so that existing layout issues can be identified and corrected.	8	4	Y	--	--
RC-160	As a product owner, I want to identify the most common reasons users stop using PitHub so that the team can prioritize improvements that address user retention concerns.	8	3	Y	--	--
RC-162	As a user, I want the existing help text and instructions to use clear, understandable language so that I can learn how to use PitHub without additional assistance.	8	5	N	--	--
RC-166	As a developer, I want to establish a process for responding to user feedback and support requests so that existing users receive timely and consistent assistance.	8	5	N	--	--
RC-228	As a product team member, I want to develop a plan for all product teams to fully participate in ECaMS Connect, as outlined in Discussion 5, so that teams can coordinate their involvement and meet participation expectations.	8	3	Y	--	--
RC-230	As a Product Owner, I want to receive coaching on Tuesday, October 20, 2026, at 9:30 AM CT so that I can improve my backlog management, prioritization, and communication with the Software Engineering team.	8	2	N	--	--
RC-078	As a developer, I want to enforce file size limits so that storage and bandwidth are controlled.	7	2	Y	--	--
RC-089	As a user, I want to access the platform on different screen sizes so that I can use it on mobile and desktop devices.	7	4	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-094	As a user, I want to create notes within a class so that I can keep written study material alongside videos and documents.	7	4	N	--	--
RC-132	As a user, I want to continue watching videos from where I previously stopped so that I can resume learning without manually searching for my place.	7	4	N	--	--
RC-133	As a user, I want to receive notifications when classes I follow receive new content so that I can stay updated with important academic resources.	7	5	N	--	--
RC-167	As a product owner, I want to review the effectiveness of customer outreach activities so that future demonstrations and promotional efforts can focus on the most productive channels.	7	3	Y	--	--
RC-169	As a first time user, I want to be shown a tutorial or walkthrough of how the app works on my very first login so that I know how to utilize PitHub	7	6	N	--	--
RC-220	As a user, I want to upload custom thumbnails for documents and edit document details after uploading so that I can make my shared resources easier to identify and keep their information accurate.	7	3	N	--	--
RC-095	As a user, I want to edit and delete my notes so that I can keep my study materials accurate and updated.	6	2	N	--	--
RC-098	As a developer, I want the dashboard recommendation algorithm to display a balanced mix of videos and documents so that users are exposed to multiple forms of course content.	6	4	Y	--	--
RC-099	As a user, I want to see recommended videos and documents on the homepage so that I can discover useful academic resources.	6	3	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-108	As a first-time user, I want tooltips and walkthrough prompts during onboarding so that I can learn platform features interactively.	6	3	N	--	--
RC-112	As a user, I want to organize notes and documents into folders within classes so that large amounts of content remain manageable.	6	4	N	--	--
RC-114	As a user, I want to receive notifications when my uploaded content is reported or removed so that I understand moderation actions affecting my account.	6	2	N	--	--
RC-219	As a user, I want to upload a custom thumbnail for my classes so that I can visually distinguish them from other classes.	6	4	N	--	--
RC-239	As a user, I want a simple URL to PitHub so that I can easily remember how to access the website without consulting the development teams.	6	3	N	--	--
RC-066	As a user, I want to sort videos by upload date or title so that I can organize content based on preference.	5	3	N	--	--
RC-083	As a user, I want to see recently viewed classes so that I can quickly return to them.	5	2	N	--	--
RC-096	As a user, I want notes to support basic formatting (bold, lists, headings) so that my notes are easier to read and organize.	5	3	N	--	--
RC-106	As a user, I want to receive notifications when I am invited to a class so that I can quickly respond to invitations.	5	3	N	--	--
RC-109	As a user, I want to skip or revisit the onboarding tutorial so that I can review platform guidance when needed.	5	2	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-115	As a developer, I want to create analytics for uploads, downloads, and views so that platform engagement can be measured.	5	3	Y	--	--
RC-178	As a user, I want to be able to mark uploaded documents or videos as watch later so that I can view them at a later date	5	6	N	--	--
RC-180	As a user, I want to be able to set an expiration for uploaded documents so that they do not stay on the platform for longer than intended or needed.	5	7	N	--	--
RC-195	As a new developer (Java), I want to add my information to the Contact Page so that users are able to see PitHub's current developers	5	1	Y	--	--
RC-196	As a new developer (Chloe), I want to add my information to the Contact Page so that users are able to see PitHub's current developers	5	1	Y	--	--
RC-198	As a new developer (Josh), I want to add my information to the TEAM.md file so that PitHub documentation is up to date with regards to its development team	5	1	Y	--	--
RC-199	As a new developer (Java), I want to add my information to the TEAM.md file so that PitHub documentation is up to date with regards to its development team	5	1	Y	--	--
RC-200	As a new developer (Chloe), I want to add my information to the TEAM.md file so that PitHub documentation is up to date with regards to its development team	5	1	Y	--	--
RC-210	As a developer (Jacob), I want to continue reaching out and pitching to Lewis University Computer Science professors, either in person or via email, who may be interested in using PitHub as an alternative to Panopto.	5	1	Y	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-211	As a developer (Josh), I want to continue reaching out and pitching to Lewis University Computer Science professors, either in person or via email, who may be interested in using PitHub as an alternative to Panopto.	5	1	Y	--	--
RC-212	As a developer (Java), I want to continue reaching out and pitching to Lewis University Computer Science professors, either in person or via email, who may be interested in using PitHub as an alternative to Panopto.	5	1	Y	--	--
RC-213	As a developer (Chloe), I want to continue reaching out and pitching to Lewis University Computer Science professors, either in person or via email, who may be interested in using PitHub as an alternative to Panopto.	5	1	Y	--	--
RC-237	As a developer, I want any files, file names, or code which mention team members to include that member's team name so that future development teams can add new files without the possibility for same name conflicts.	5	2	Y	--	--
RC-238	As a user, I want to only see the current developers of PitHub on the contacts page rather than legacy developers who are listed on another page so that I do not contact a legacy developer by accident.	5	3	N	--	--
RC-242	As a new developer, I want to coordinate how our team can help the Capstone team's Celebration of Scholarship Lite so that we can participate and support the Capstone team.	5	1	Y	--	--
RC-046	As a user, I want to filter videos by date and class so that I can narrow down content efficiently.	4	2	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
RC-053	As a user, I want to edit video metadata (title, description, visibility) so that my content remains accurate.	4	2	N	--	--
RC-070	As a user, I want to rename uploaded documents so that file names remain meaningful.	4	3	N	--	--
RC-071	As a user, I want to see file sizes before downloading so that I can manage bandwidth usage.	4	1	N	--	--
RC-218	As a product owner, I want to meet with Dr. Klump to discuss Lewis University's potential takeover of Firebase payment responsibilities so that the team can determine a sustainable plan for PitHub's hosting and operating costs.	9	3	Y	--	--
RC-219	As a user, I want to upload a custom thumbnail for my classes so that I can visually distinguish them from other classes.	6	4	N	--	--
RC-220	As a user, I want to upload custom thumbnails for documents and edit document details after uploading so that I can make my shared resources easier to identify and keep their information accurate.	7	3	N	--	--
RC-222	As the original development team, I want to evaluate options for PitHub after the current semester, including open-sourcing the project, so that we can establish a sustainable future for the platform.	9	5	Y	--	--
RC-234	As a developer, I want to research the process of transitioning PitHub into an open-source project so that developers outside of Lewis University can access, contribute to, and maintain the platform.	10	4	Y	--	--
RC-235	As a project maintainer, I want to establish contribution guidelines and development standards so that future	10	3	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
	Capstone and Software Engineering teams can contribute code consistently.					
RC-236	As a future Capstone or Software Engineering student, I want to have access to clear project documentation and setup instructions so that I can begin contributing to PitHub without depending on previous development teams.	10	4	N	--	--
RC-243	As a user, I want PitHub to automatically cleanup my abandoned or incomplete uploads so that unnecessary files do not take up Firebase Storage space.	8	3	N	--	--
RC-244	As a developer, I want to research and implement a content migration process so that PitHub's videos, documents, and database records can be transferred between Firebase projects if needed.	9	5	Y	--	--
RC-245	As a project maintainer, I want to select an appropriate open-source license for PitHub so that outside developers understand how they are allowed to use, modify, and distribute the project.	10	2	Y	--	--
RC-246	As a user, I want to search for playlists by name so that I can quickly find playlists that have been shared with me.	6	3	N	--	--
RC-247	As a system administrator (Kevin), I want to create a separate administrator account so that I can manager administrative responsibilities independently.	9	2	N	--	--
RC-248	As a system administrator (Erick), I want to create a separate administrator account so that I can manager administrative responsibilities independently.	9	2	N	--	--
RC-249	As a system administrator (Sebastian), I want to create a separate administrator account so that I can manager	9	2	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
	administrative responsibilities independently.					
RC-250	As a system administrator (Edward), I want to create a separate administrator account so that I can manager administrative responsibilities independently.	9	2	N	--	--
RC-251	As a system administrator (Kaleb), I want to create a separate administrator account so that I can manager administrative responsibilities independently.	9	2	N	--	--
RC-252	As a potential user, I want to view a Product Poster for PitHub for the ECaMS Connect event on Friday, December 4 so that I have a visual guide for the product.	6	4	N	--	--
RC-253	As a user, I want to be able to edit my Profile Page so that I can display meaningful information for other users to view.	6	4	N	--	--
RC-254	As a user, I want to be able to edit my Profile Page's background image so that I can personalize my profile with an image that reflects my interests or personality.	6	4	N	--	--
RC-255	As a user, I want to view a subscription webpage that displays the available subscription plans and their features so that I can compare subscription options and understand the benefits of each plan before making a decision.	6	4	N	--	--
RC-256	As a user, I want to view and manage my allocated storage space through my Profile Page or Settings Page so that I can monitor my storage usage and manage my stored files effectively.	6	4	N	--	--
RC-257	As a user, I want the PitHub's user interface for the buttons to be consistent all throughout different	6	4	N	--	--

ID	User Story / Task	Priority (1-10)	Estimate (SP)	Spike (Y/N)	Status	Assigned
	pages so that I can easily recognize and interact with buttons, providing a seamless and intuitive user experience throughout the application.					
RC-258	As a developer, I want to intialize the set up for separating the Dev database from the Main database so testing does not affect real user data uploaded on PitHub.	6	5	N	--	--
